Preface

It gives me enormous pleasure to introduce "NBS" for the children of the rural area in Pratapgarh. The NBS School is affiliated to the CBSE Board, Delhi, The school is located at Baghrai region of Pratapgarh for the development of the rural children, Keeping this in mind NBS sets its target to open classes form nursery to class XII.

The constitution of India in the "Article 21 A" provides free & compulsory education of the children of the age of six to fourteen. inspired by this article. The NBS takes burden to build up our young ones with lightly pragmatic. interactive quality education so that they become fruitful, beneficial and blessing to the society & the society & the country as whole so it is the almost duty of an educational institute to develop moral character. confidence, perfection, leadership potential and many more in the children to reduce the wide gap between rural and urban area's children.

The NBS School is well equipped will all the facilities. The teachers of NBS equips its children with the repertoire of analytical, interpersonal and leadership skills, decision making motive thinking and team work so as to prepare today's growing. Children for tomorrow's challenging environment. Fifteen percent spirit members associated with the school are renowned doctors and againeers. The school is running under the guidance of Mr. Sujeet Kumar Singh, B. Tech. & M. Tech from M.N.N.I.T.Allahabad.

Last, but not the least, there is critical and urgent need for universal access to quality education. Education can be only complete when the mind is ignited with knowledge and soul is nurtured with essential human values.

The NBS School is well associated with all the facilities. The teachers of NBS equips its children with repertoire of analytical, interpersonal and leadership skills, decision making, innovative thinking and team work so as to prepare today's growing.

Children for tomorrow's challenging environment. 15% members associated with the school are renowned doctors and engineers. The school is running under the guidance of Mr. Sujeet kumar Singh, who has done his B.Tech & M.Tech from M.N.N.I.T.Allahabad

Last, but not the least, there is critical and urgent need for universal access to quality education. Education can be only complete when the mind is ignited with knowledge and soul is nurtured with essential human values.

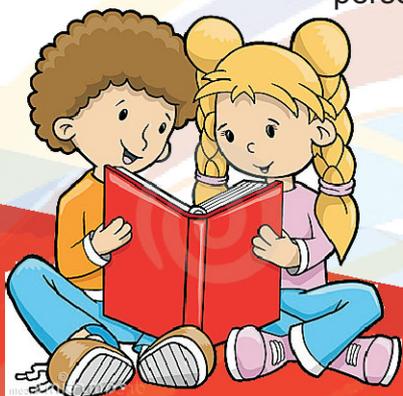

From the desk of the **DIRECTOR**

It is quite heartening that our ultimate objective and educational strategy in preparing young students to be responsible for and responsive on the demands of the society in the dynamic way now going to be prompted by our NBS school, which will carve a niche for itself among other premier educational institutions of Pratapgarh.

The NBS school affiliated to the CBSE Board and located in the rural area of Pratapgarh which offers a rich mix of traditional, modern, cultural, technological educational system to the students.

I/we believe that every child is unique, and by providing individual attention the innate potential within them can be tapped. Therefore we have created an environment that is ideal for joyous learning. Our values are uncommon to many other educational institutions. Our basic objective is development of moral character, self-esteem and a sense of responsibility, critical, analytical and independent thinking, balanced and healthy living and many more to the rural students, The basic aim of the NBS school is to forward the rural student all the way the and providing a quality education which is the right of every child of this country.

I strongly feel that our institution will play an important role in shaping the personality of the students and prepare them to have a sense of self-worth, self-confidence and moral uprightness.

Special Features:-

To the best of my knowledge, the teaching faculty is a judicious blend of rich experience, highly qualified proficient in communication skills. We co-operate closely with parents in every phase of the children development, always offering assistance in understanding the purpose of NBS.

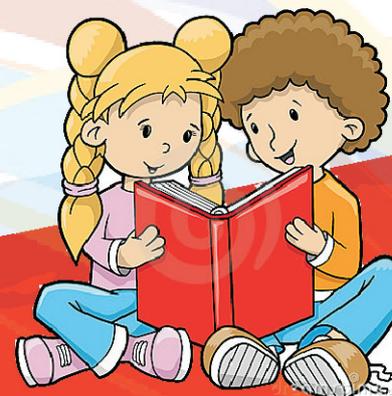

Extra curricular activities are an important part of educational process for the healthy growth of non-cognitive abilities, physical development and social improving behavior of a child therefore parents are be encouraged to nitiate/induce their children to actively take part in these games and sports, competitions etc, Which will held in school time to time.

School provides good transport facility for students. School have a good canteen, providing meal of nutritional value for good health of children.

Apart from all, we impart to our children, the right values and etiquettes, which help them develop confidence and ability to lead a balanced life. The school also gives utmost importance to discipline, character building and traditional values. More over, we believe that NBS provides physical, social and spiritual environment in which these values cannot be more words, but can become part of the lives of our children.

The NBS assures quality teaching, quality operation and quality management and imparts knowledge & skill. It improves informal interaction between parents, students and staff mentors to solve academic and emotional problems of students and transforms students to step up cooperative learning, team activity and leadership. So, it is utmost duty on the part of an educational institution to nurture the young minds by providing them with quality education so that for every child, so that schooling becomes a joyful experience and a meaningful existence.

We look forward to exciting future ahead full of opportunity and promise where our institution will be a leading educator.
